It is the main antioxidant in the body. It participates in the elimination of toxins from cells and the transport of vitamins and minerals.

+400

Glutathione is responsible for more than 400 functions in our body, of which 15 are essential for life.

AGE

From the age of 20, our Glutathione levels decrease at a rate of 10% every 10 years.

SUPER FORMULA WITH GLUTATHIONE AND SUBLINGUAL ABSORPTION TECHNOLOGY

Our innovative formula with Glutathione is designed to offer you the maximum benefits of this powerful antioxidant. Glutathione is known for its powerful detoxifying properties, helping to eliminate toxins and fight oxidative stress, which protects your cells and improves skin health, giving it a younger and more radiant appearance. Vitamin C complements and enhances its action, improving immunity and promoting collagen production to maintain skin firmness and elasticity.

In addition, this formula includes Taurine, which supports cardiovascular function and reduces fatigue, giving you greater energy and vitality. Arginine improves circulation and promotes heart health, while L-Valine, an essential amino acid, is essential for muscle repair, helping recovery after intense physical activities.

Thanks to its sublingual format, you get rapid absorption of all these benefits, ensuring effective and direct action. This formula is ideal for those looking to improve their overall well-being, optimize their energy and strengthen their immune system. Experience superior antioxidant protection with every dose!!
